It's no use! He can't see that the fire is out.

This 1937 cartoon shows the concern of some Americans that

- (1) the government was spending too much money
- (2) too many Americans were overspending
- (3) social programs mainly benefited the rich
- (4) President Franklin D. Roosevelt was ignoring the needs of the people

The problem illustrated by the cartoon developed primarily because the government was

- (1) preparing to enter World War II
- (2) cutting taxes for the wealthy
- (3) lowering the price of farm products
- (4) trying to solve problems created by the Great Depression

Merry-Go-Round

Where is the Jim Crow section
On this merry-go-round,
Mister, 'cause I want to ride?
Down South where I come from
White and colored
Can't sit side by side.
Down South on the train
There's a Jim Crow car.
On the bus we're put in the back —
But there ain't no back
To a merry-go-round
Where's the horse
For a kid that's black?

— Langston Hughes, 1942

Which social problem is the main concern of this poem?

- (1) poor housing
- (2) unemployment
- (3) white violence
- (4) racial segregation

"A few years ago I could go to the store with \$100 and come back with six or seven bags of groceries. Now, I'm lucky if \$100 will buy three bags. Boy, have prices gone up!"
